

Clean School Bus Program

Deadline Extended: 2024 Clean School Bus Rebate Program

The EPA is now accepting applications to the 2024 CSB Rebate Program until **January 14th, 2025, at 4 PM ET**. The EPA anticipates awarding up to \$965 million to fund new, zero-emission and clean school buses! Click below to learn more about this funding opportunity.

**Apply to the 2024 CSB Rebate Program
Today**

With funding from the Bipartisan Infrastructure Law, the EPA Clean School Bus Program provides \$5 billion over five years (FY 2022-2026) to replace existing school buses with zero-emission and clean school buses. To learn more about the benefits of zero-emission and clean school buses, please visit the [Benefits of Clean School Buses page](#).

View more details about awards under past funding opportunities on the [CSB Awards page](#).

The EPA will continue to update this page with additional Clean School Bus Program funding information and educational resources.
